

June 22, 2021, Council Work Session and Special Meeting (104 W. 9th Ave)

Council Members in attendance were Scott Holbrook, Jordan High and JB Klyap (via video). Also in attendance were Mayor Joe Willauer, Clerk/Treasurer Kristi Millhouse, Maintenance Supervisor Sam Novich and Guest Craig Erickson from Great West Engineering

Mayor Willauer called the Special Meeting to order at 7:00 pm.

Discussion occurred regarding the American Rescue Plan (ARPA) Funding that is be provided to local governments and how the Town of Twin Bridges will appropriate their funds.

Scott made a motion to apply bucket A (\$39,450) of the APRA funds to the Levee Certification Study as match for the CDBG Grant and the remainder going to the Sewer Lift Station/SCADA System upgrades. Bucket B will also go to the sewer lift station/SCADA upgrade and remaining funding needed will be applied for through Bucket C. Jordan Seconded the motion. No further discussion. Motion passed with a unanimous vote.

Scott made a motion to approve the grant c application for the water system in the amount of \$500,000. Jordan seconded the motion. No further discussion. Motion passed with a unanimous vote.

Meeting adjourned at 7:50 pm.

Council moved into the work session regarding discussion of Stonebraker's purchase proposal of ground the Town owns.
